Dear Steve,

I am delighted to tell you that you have been named a recipient of The Evergreen State College 2015-16 Teacher Excellence Award. This award is designed to honor teachers who have had a significant impact on the lives of students.

As Evergreen's Vice President for Academic Affairs and Provost, I place a high value on quality teaching. In an attempt to encourage our students to think about teachers who made a difference, I asked our incoming students to nominate the teacher they felt made the biggest difference in their education. In your case, Brian Stewart nominated you. Here is what Brian wrote:

Ability to teach anyone the curriculum, patience and an interesting approach to teaching. He stirred interest inside me and is the major reason I have gone on to further my education. This is the type of teacher where the first row in class is always full with students who got there twenty minutes before class starts. In fact, his greatest gift is bringing real interest and fun to learning, what at times can be complex and frustrating material.

Congratulations on this honor. In appreciation for all you've done, I've enclosed a certificate naming you a Teacher of Excellence as well as a window decal. I hope you display both proudly.

Sincerely,

Michael Zimmerman
Vice President for Academic Affairs and Provost
