

SHORELINE EARLY ALERT

Ride the wave and refer students to come SEA us!

WHAT

An academic intervention program designed to support students encountering difficulty in the pursuit of their academic goals.

WHEN TO REFER

If you have previously reached out to a student and have not seen positive change, we are here to help! Below are a few examples of what to refer to the SEA Team.

- Low test or quiz scores
- Unexplained excessive absenteeism or tardiness
- Pacing in an online class
- Difficulties with technology
- Not doing or excessive missing assignments
- External concerns (e.g. family issues, financial matters)

MAKE A REFERRAL

Use the [SEA Referral Form](#) to make a referral. Follow the links below to the form.

- [Intranet](#) > [Faculty Advising](#) > [Shoreline Early Alert](#)

**NOTE: A SEA Team member will respond to the referral within 24 hours by reaching out to both you and the student.*

Questions?

If you would like to learn more about SEA, visit our webpage or contact one of our SEA Team members.
