

# Shoreline Professional Learning Events

## February 9 – 10 and 17, 2017

---

### Session A. Introduction to Socratic Tutoring

Presenter: Jim Donohue, AVID for Higher Education

Session Days/Times: Thursday, February 9, 8:30 – 10:00am **OR** Thursday, February 9, 10:30am – 12:00pm

Location: 1020M (Central Conference Room, 1000 building)

*Tutoring is not just re-teaching.* Come for an overview of Socratic Tutoring: a six-step tutoring process that employs questioning techniques to activate and facilitate student learning. This session is most appropriate for tutors but relevant to anyone engaged in teaching one-on-one or in small groups. Note that the session will be held twice with identical content.

---

### Session B. Introduction to High-Engagement Practices

Presenter: Jim Donohue, AVID for Higher Education

Session Days/Times: Thursday, February 9, 1 – 2:30pm **OR** Thursday, February 9, 3:00 – 4:30pm

Location: 1725

Interested in trying out high engagement practices, but not sure where to start? This session will provide a hands-on opportunity to gain experience with several specific AHE strategies that you can use immediately. The session is open to anyone, but will apply most directly to classroom instruction. Note that the session will be held twice with identical content.

---

### Session C. Dependable Strengths

Presenter: Sheryl Copeland, Shoreline Community College Counseling Center

Session Days/Times: Friday, February 10, 1:00 – 4:00pm **OR** Friday, February 17, 1:00 – 4:00pm

Location: 1515

Discover your strengths and maximize your potential. Understanding your strengths will help you adapt to change and improve your relationships, as well as increase your self-esteem and motivation. In turn, you will leave with a better understanding of how to listen to our students' stories and help them identify strengths they can use to be successful here at SCC! **ALL EMPLOYEES WELCOME!**

1 hour of preparation work required

Contact Sheryl Copeland at [scopeland@shoreline.edu](mailto:scopeland@shoreline.edu) for information and registration

---

### Session D. Teaching Quantitative Content in STEM

Presenter: Jim Donohue, AVID for Higher Education

Session Days/Times: Friday, February 10, 12:30 – 2:00pm **OR** Friday, February 10, 2:15 – 3:45pm

Location: 1725

Instructors who teach any quantitative content are strongly encouraged to attend this session focused on using high engagement techniques for math. Gain hands-on experience with several strategies you can start to apply right away. This session is open to anyone, but the content will be most relevant to classes with quantitative content. Note that the session will be held twice.
