

Volunteer Opportunities

BE A PART OF AN EVENT UNLIKE ANY OTHER IN SEATTLE SPORTS HISTORY

In 2018, 4,000 of the top Special Olympics athletes and coaches in the USA will gather in Seattle to participate in just the fourth-ever Special Olympics USA Games. We're creating a powerful team of 10,000 volunteers to provide their time and talents to produce the USA Games and to help amplify the Special Olympics message of diversity, unity and inclusion.

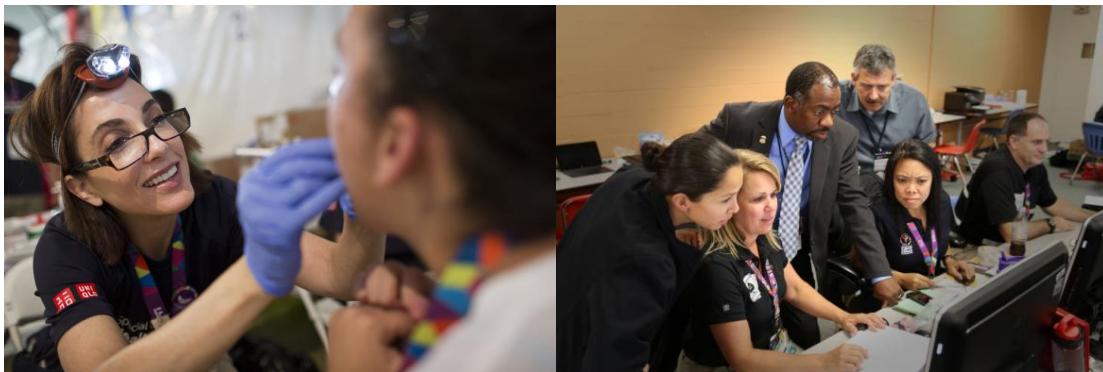

From sports competition and special event assistance, to emergency management and behind-the-scenes operations and logistics support, volunteers of every skill and experience level will be essential to the success of the USA Games.

Positions are available from June 29 - July 7. **Join us!**

The Special Olympics USA Games is seeking public service minded and qualified volunteers for medical, emergency management, communications, security, and safety positions.
